We have a scheduled ELC meeting tomorrow in room 553 @2 PM.

I have attached updated expense reports for ELC 4512-0180 and ELC ACA 4512-0186 BUT lower subs only, I am waiting for personnel information.

I think tomorrows meeting can be short....and discussion can include:
ACA spending through 12/31/2011...what we will spend.
ELC – updating budget to reflect balance from prior years
